

MPROvE Neonatal Simulation Instructor Course Module 1

COPYRIGHT MPROVE
DR ALOK SHARMA

TOPICS

0830	Registration & Coffee				
0900-1200	<u>Session 1-Starting a simulation programme</u>				
0900-0930	Introduction and Educational Principles				
0930-1000	Setting up Your Neonatal Simulation Programme- Modelling on your NNU or Point of Care or Both				
1000-1030	Scenario Design and Curriculum Mapping- A Framework for Neonatology				
1030-1100	Tea/Coffee				
1100-1230	<u>Session 2-Simulated Workshops</u>				
Session	Mentors	Topic			
Workshop 1		The Issenberg Principles			
Workshop 2		The OPEN Concept			
1230-1300	Lunch				
1300-1500	<u>Session 3-Equipment (Round Table)</u>				
1300-1400	Mannequins and Modification to Create Neonatal Models				
1400-1500	Setting up and running the new Laerdal Premmie Anne (Laerdal)				
1500-1530	<u>Tea and Coffee</u>				
1530-1700	<u>Session 4-Video Workshops</u>				
Session	Mentors	Topic			
Workshop 1		Running Point of Care High Fidelity Neonatal Simulation Laerdal			
Workshop 2		Kwickscreen use Point of Care (Kwickscreen)			
1700-1730	Neonatal Simulation and Latent Threats
