NEDS Course

Programme

0815 Registration & Coffee

0830-0900 Session 1-Introduction and Orientation

0900-0930 Standardised Neonatal Resuscitation Practice (Beyond NLS/NRP)

Systems Teams Equipment Communication Performance

0930-1000 Delivery Room Resuscitation

Recent Advances in Preterm Care
Platinum minutes and F1
QI in delivery suite

1000-1045 Golden Hour Management

The New Golden Hour-A Multidisciplinary Approach
'One size does not fit all'

1045-1100 **Break**

1100-1230 Session 2-Workshops

Session	Workshop 1	Workshop 2			
Topic	Delivery Room PEEP	LISA vs INSURE			
Improving Outcomes	Preventing PEEP Failure	Individualizing Management			

1230-1330 **Lunch**

1330-1500 Session 3-Simulation

Session	Room 1	Room 2	Learning Objectives
Simulation	Session 1	Session 2	Teams will be simulating with individuals in their own roles with evaluation using the Texas Neonatal Behaviour Audit tool

1500-1530 **Break**

1530-1700 Session 4-Simulation -Videos and Rapid Sequence Deliberate Practice

Session	Room 1	Room 2	Learning Objectives
Simulation	Session 1	Session 2	Teams will be simulating with emphasis on specific points which help optimise outcomes during resuscitation and golden hour management

1730 Close
